Your Civil Wedding Ceremony

We are fully licensed & registered to host civil & spiritual ceremonies. This means that you can both marry in and hold your wedding reception celebration all under one roof. Our impressive venue will provide an intimate location where your wedding will be treated as the very special occasion that it is.

If you are getting married by civil ceremony here in the hotel, in a registry office or any other approved venue, you should approach the Registrar of Civil Marriages for the district in which you intend to marry for information on how to proceed. There is no requirement to live in the district where you want to get married but you must give 3 months notification to a Registrar. If you are planning a Humanist Wedding or Partnership ceremony you should contact the Humanist Association of Ireland for information on your local celebrant.

We have beautifully styled and dressed suites available for your Ceremony or Blessing, with a number of options to suit either an intimate ceremony or a larger gathering. We have 2 locations on site where Ceremonies can take place:

- The Hawthorn Suite : Suitable for up to 50 guests
